SPECIFIC

1. Attached for your information is a copy of a memorandum sent to the Department of the Army, G-2, in response to their request for information on the League of Hungarian Veterans (Magyar Harcosok Bajtarsi Kozonsege, or MIEK). The question arose when Count Mihaly ANDRASSY, MIEK representative in Belgium, visited the Army Attache on 27 April 1951 and presented a plan, with the usual request for financial support for resistance and intelligence activities. ANDRASSY also told the Army Attache that General Andras ZAKO, head of the MIEK, was negotiating with General ANDERS and the Polish military group in an effort to coordinate the "military" efforts of all Eastern European refugee groups. In reporting to Washington on the interview with Count ANDRASSY, the Army Attache commented that the Brussels station had been fully informed.

2. The memorandum mentioned in paragraph 2 of the attachment is SO DB 29657, "League of Hungarian Veterans", and will be forwarded to the Army Attache in Brussels for his information through G-2. A copy of this report was disseminated to the _____ in October 1950.
